WHO ARE WE

HISTORY

Founded and established in the year 1991, we are recognized as Engineers, Contractors & Suppliers. Firm commitments have been the cornerstone of our growth. Ours is a well-recognized firm in Jammu & Kashmir, known for strong infrastructure, and the firm is rapidly growing while continually improving the standards of supply. We would like to take this opportunity to express our commitment to ensuring that the products and services you receive are of the highest quality.

CUSTOMER SATISFACTION SURVEYS :

At Abid Builders & Suppliers we are constantly looking for feedback on ways to improve our processes. Customers are surveyed regularly to ensure that they are completely satisfied with our product and service offerings.

THE FIRM HAS:

- A dynamic and visionary Board of Directors.
- Experienced engineers working under exceptional supervision.
- Skilled and adaptable manpower.
- Intelligent and energetic workforce.

No matter the scale of the project, we have the technology, expertise, and capacity to deliver with precision. Backed by a comprehensive range of advanced machinery and systems, we are equipped to manage your entire project efficiently - ensuring consistency and quality at every stage.

COMPLETE CONTROL:

Since 1991, Abid Builders & Suppliers has been operating independently. With all facilities on-site, we maintain full control over customer service, ensuring that every aspect of your project meets the highest standards. By retaining this control, we are confident that your projects will be completed to your utmost satisfaction - that is our guarantee to you.

WE STRIVE TO ACHIEVE THE HEIGHTS IN:

Quality of Works.

Quality of Services.

Quality of Relationship.

OUR MISSION

At AB&S, we are dedicated to exceeding client expectations by delivering reliable and customized geosynthetic solutions. Our skilled team conducts precise project assessments to ensure efficient and effective outcomes, all while upholding a strong commitment to quality, innovation, and sustainability.

OUR VISION

Our vision is to lead in delivering sustainable and innovative infrastructure solutions that foster a clean, green environment while setting new benchmarks in environmental responsibility.

WHAT WE OFFER

We have dedicated units focused on both production and quality control, ensuring that every product meets the highest standards. Additionally, we take pride in our exclusive Research and Development wing, which drives innovation and continuous improvement across all our offerings.

Infrastructure Today

POWER GENERATIONS

We are proud to be the Authorised Dealers for DG Sets of KOEL (Kirloskar Oil Engines Limited) — one of the most reputed and trusted names in the field of power generation across the Union Territory of Jammu & Kashmir. We have been consistently delivering our services and solutions across the region with a strong track record of client satisfaction.

Adding to this achievement, we have recently been appointed as an Authorised Dealer for Servokon Systems Ltd., India, offering Servo Stabilizers and Transformers, further expanding our portfolio of reliable power solutions.

PROJECT GALLERY

PROJECTS THAT WE'VE DELIVERED

PROVIDING & FIXING OF CHAIN LINK FENCE

Enhanced Perimeters Protection with razor wire fencing

Security fence LAIOS

Boost security with an anti-climb fence.

HIGH ALTITUDE ZOJILA LADAKH

Regardless of the conditions, we are committed to ensuring timely project delivery. This particular project was completed in record time, despite all routes to the location being inaccessible throughout the winter due to heavy snowfall and freezing temperatures.

PRE-FABRICATED PUFF INSULATED STRUCTURES

For the past two decades, we have successfully delivered customized structures tailored to meet the unique requirements of our clients across the Union Territory. These structures offer significant advantages, including portability, cost-effectiveness, insulation, and rapid delivery and completion. As a result, they are increasingly being recognized as the ideal alternative to traditional civil construction.

The images displayed showcase structures delivered across the UT within the past year, serving a variety of purposes. Notably, during the recent health crisis, these structures were quickly repurposed as quarantine facilities to address urgent needs.

MS INSULATED WATER TANK OF CAPACITY 17000 LTRS AT ZOJILA TUNNEL

We pre-fabricated an insulated MS water tank with a capacity of 17,000 liters, equipped with a water heating arrangement. This was supplied to the Zojilla Tunnel to ensure a continuous 24x7 hot water supply, even during the harsh winter with temperatures dropping below freezing.

BADMINTON COURT FOR H.Q 15 CORPS C/O 56 APO AT B.B. CANTT.

MS RAILING ON HIGHWAYS (BEACON WORK)

Between Km 6.750 to Km 14.200 (NHFL) on Srinagar
Baramulla-Uri Road Under sector of 53RC

SUPPLY AND INSTALLATION OF BIRD PROOFING OF HEPTER HANGERS AT MANASBAL

HYDRO ELECTRIC POWER PROJECT

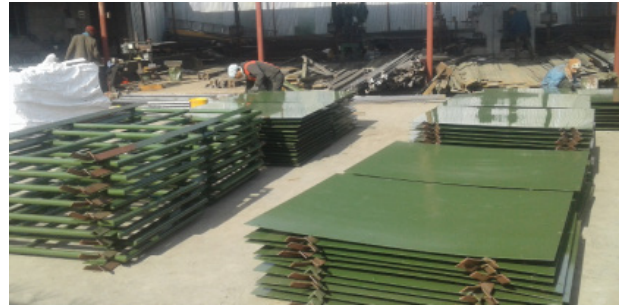

PRE FABRICATED CLASS ROOM AT DEGREE COLLEGE TRAL, INCLUDING CIVIL WORK

FABRICATION UNIT

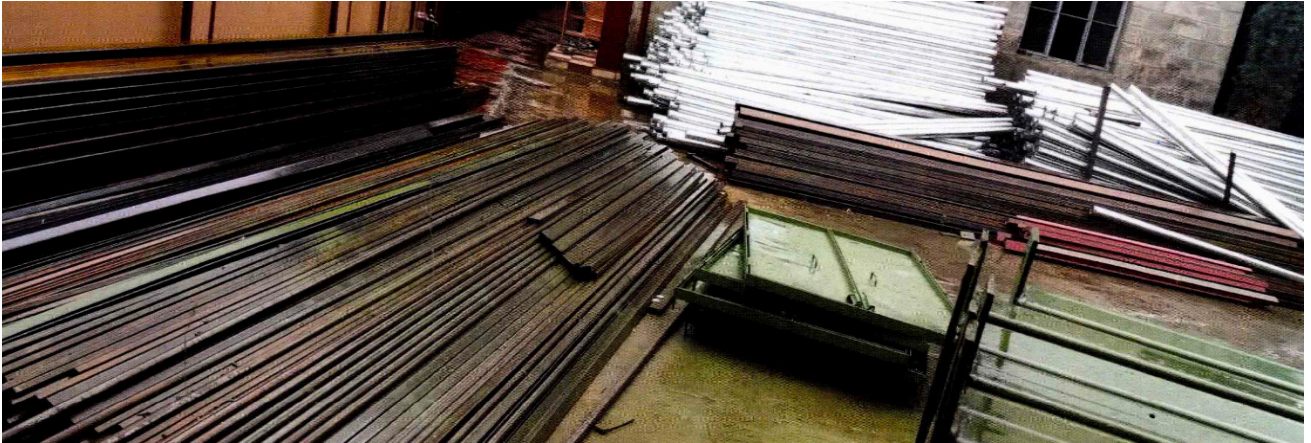

We have a fully equipped fabrication unit spanning 10,000 sq. ft., featuring state-of-the-art machinery and tools. Our highly skilled team of fabricators, with years of experience, works under the supervision of qualified engineers to ensure precision and the highest standards of quality.

STOCK YARD OF POLY CARBONATE & COLOUR COATED PROFILE SHEETS

STOCK/ PACKING YARD

ALUMINIUM FABRICATION YARD

OUR DEALERSHIPS

We are proud to be Authorized Dealers for KOEL (Kirloskar Oil Engines Limited), a leading name in power generation across Jammu & Kashmir. In addition, we are excited to announce our new partnership with Servokon Systems Ltd, enabling us to provide high-quality servo stabilizers and transformers.
